**Coffee Bar**

We use ethically sourced, sustainable  
beans from the world's most famous  
coffee growing regions. About half of our  
coffee is purchased direct from a small  
coffee co-operative in Colombia, where  
we commit to an annual purchase of their  
entire crop.

We're committed to specialty coffee, the  
environment and a fair go for growers –  
we were the first coffee company in  
Australia to be 100% carbon offset from  
tree to cup.
