Coffee Bar

We use ethically sourced, sustainable beans from the world's most famous coffee growing regions. About half of our coffee is purchased direct from a small coffee co-operative in Colombia, where we commit to an annual purchase of their entire crop.

We're committed to specialty coffee, the environment and a fair go for growers – we were the first coffee company in Australia to be 100% carbon offset from tree to cup.

Mayde Tea

All Mayde Tea products contain only 100% organic ingredients, free from artificial colours and flavours. All the ingredients have been farm-grown, locally sourced where possible, and grown with love and care. There has been no use of herbicides, pesticides or other unnatural chemicals throughout the production of our teas.

With carefully selected organic ingredients, every blend is hand-Mayde in small batches, with love x.
